## Experience

### Closets To Go! 2014-2017

- Account manager of local retail sales department
- Mangaged showroom and retail staff with average sales of \$360,00 per year
- Consulted on an average of 15-20 concurrent projects with clients, ranging in value from \$750 - \$20,000 each
- Managed each project from client introduction to post-installation review
- Consulted with industry professionals for the design and servicing of their clients  
Produced visualizations, 3D models and presentations for proposals for multiple departments
- Developed training materials, assisted in the development of systematized design standards and trained incoming design staff
- Designed promotional materials and internal work-aids to improve sales and productivity

### Vida Design 2013

- Produced and edited digital layouts for client proposals
- Created material board displays and digital visualizations of proposed finishes
- Corresponded with manufacturer representative to research and procure material samples
- Orchestrated the relocation and organization of an approximately 220 sq ft materials library and project archive
- Participated in the research and cataloging of furnishing, fixture and equipment selections

### Amrapali 2010-2013

- Cooperated with a team to design, build, install and tear-down modern Indian-style displays and decorative fixtures
- Created design elements for retail promotion, private and community events to include: Amrapali's Boutique locations, tabling events such as the annual India Day at Pioneer Square and Beaverton Night Market, and the annual Holi festival at the Washington Co. Fairgrounds
